

LEAGUE BASEBALL RESULTS TO DATE

In the last game at Meadowbrook last Friday evening, before a full sized crowd, Gleichen went down to defeat by a score of 11-0. The game went eight innings. Meadowbrook beat three runs in the 6th, 5 in the 7th and 2 in the 8th, while Gleichen made the runs as follows: 2 in the 1st 3 in the 4th, 2 in the 5th and 2 in the 8th. From unopposed the game Meadowbrook players were O'Brien Corbett; McArthur; A. Wilson; W. Wells; A. Wilson; J. At Wilson; B. O'Brien; Quenell and Holland. Gleichen lineup: D. James; Brown; B. James; Wilson; Lyons; McArthur; Plante, McKay and Young.

Regardless of the large score the best league baseball game yet played in Gleichen this season took place last night and Gleichen once more went to defeat, this time in the hands of the best Mito team, the final score being 12-12. Bert James made the first home run this year on the local diamond. Ralph Burrows, of Mito also made a great hit, the next to the hall clear off the fence. It is not very often a hall is sent that far away have sent it through the fence but not over.

Gleichen and Johnston of Mito can have general satisfaction. Score by innings: Mito 3 1 1 1 1 2 2 0 0 0 12. Gleichen: 3 0 2 4 3 0 0 0 12. Meadowbrook played at Arrowood last night and were beaten by a score of 6 to 1.

BALL GAMES FOR A WEEK
League baseball games for the next week are: 16 June Arrowood and Mito will play at Arrowood. On June 18 Gleichen fans will have an opportunity to see Queenstown in action on the local diamond at 8:15 p.m.

On the 22nd Mito and Queenstown will play at Queenstown. And the other game on June 22nd will be between Meadowbrook and Gleichen at Meadowbrook. There will be no league ball game next Sunday and as some of the boys say an excellent chance to play off some of the postponed games.

"OVER THE HILL" MIRROR OF THE HUMAN HEART

All that makes "Over the Hill" a great picture is not in the film. It is in the human heart. Will m. Fox does not offer a spectacle or a thrill but he gives you yourself—takes on your sympathies and hands them back to you.

There is nothing in the story that you don't put there, no artificial emotional stimulus of sight or sound which half appreciates that which mere suggestion and suggestion within you. No little sister fleeing before black lust, no persecuted damsel hurriedly fleeing from a villain, no woman flocking through betrayed gates—merely a shabby old woman plodding with her bundles over the hills to the poor house.

It is one of these rare pictures which the director makes and the public made great, and will be seen in the Gleichen Community Hall Saturday night, June 19th.

"Over the Hill" is a success because it presents a homely story so convincing as to arouse the first emotion of each spectator. It is a narrative rather than a plot, humble and rather pretentious but to judge of its problems are very real, and its climax satisfying—marvelously so.

The story was elaborated and emerged from the poems of Will Carleton. It will be recalled by many that when the author of "Over the Hill" said "mother" over the hill to the poorhouse there arose such a protest that he had to write another poem and bring her back. It's Love and Cordelia rewritten as mother and son and set down in Gopher Prairie. That is all there is to it, but it's well worth your while to watch that

GLEICHEN STAMPEDE PROMISES BIG SUCCESS INTENSE INTEREST FOR JUNE 25

Everything is shaping up in fine style for the Gleichen Stampede on June 25th, and each day brings tidings of new features and thronging of cow girls and cowboys who will be here for the opening, as the date fits in nicely with the arrangements for attending the Calgary Stampede and Exhibition.

O. Desjardine, the manager, is a very busy man these days and has little time to spare but states that the prospects at present far exceed his first expectations in every way and there will be no disappointment in the number of horse and cattle to be on the grounds of the real wild variety, and the number of boys and girls ready to ride them seem limitless. As for the crowd to be present it would seem it will be a record one.

The entire management committee are men so well-known to all who attend stampedes that there is no question as to the success of the big undertaking. The names of such men, as P. LeGrandeur, Walter McHugh, Harry Allen, O. Desjardine and Glen House stand for the best in stampede-riding. Each and everyone having distinguished themselves for years in the live stock business and have learned the business from the ground up. As rider and ropers they are men of unquestioned ability.

The fact that a number of buyers will be here to buy bucking horses is attracting wide attention and stock men in this an opportunity to dispose of their bad actors at a price.

The league baseball game at 8 sharp that evening is an attraction that will be looked forward to with no little pleasure, as Arrowood and Gleichen are to be the combatants.

Two preliminary boxing contests between Drumheller and Drumheller artists have been arranged but the big feature if arrangements are completed will be the bout between McDonald of Drumheller and Solstice of Calgary. The 125 weight class. McDonald is the champion of Canada for eight years and Solstice is first coming and will be a contestant for the middle weight championship of Canada.

The whole day's fun will be wound up with a dance in the Community Hall.

COMING POLITICAL MEETINGS

So far there is very little interest shown in the Provincial election to take place June 28th. Tonight the first meeting in town will be held by the Liberals, and then next night when the Conservatives will meet. At 7:30 Capt. Shaw, the Liberal leader, will speak and then leave for Cluny, after which Mr. Buckley and other U. F. A. speakers will continue the meeting.

The Conservative announcement meeting for the following night, Thursday, June 24, when Mr. Miller and other speakers will be here.

"CAPTAIN RACKET" A COMEDY BY I.O.A.F.

FRIDAY, JUNE 18

"Captain Racket" a comedy in three acts is being staged on Friday June 18th, in the Community Hall in the Gleichen Odellville. This play is full of fun and good fun for the finish—2 hours of real fun.

little black form plodding up the dusty road to an undervalued legion, just for the pleasure of watching her come back.

To do so a play of the kind means a lot of hard work and study on the part of the players and every encouragement should be given them by filling the Community Hall to capacity. The stage efforts are going to be right up to date and everything points to the M. King of a very successful show. The committee does to announce that there will be a dance after the show.

Arrangements are being made with the L. O. O. F. of Valen for the staging of this play at Valen on Thursday June 24th.

QUEENSTOWN HAPPENINGS

(From our Own Correspondent)
On Friday evening the 11th Arrowood played a league game in Queenstown defeating the home team 11-0. The play was close throughout. Both Miller and Conley pitched good ball. A small crowd saw the game on account of cool cloudy weather. Queenstown line up: 1. Conley; 2. Grayson; 3. Hilgar; 2b; Somerville; 3b; Watwood; ss.; A. Sol; r.f.; W. Sticker; c.f.; H. Horne; l.f.; Arrowood battery: Miller and Norton. Score by innings: Queenstown 5 1 0 1 1 0 0 0 0 11. Arrowood: 0 0 0 0 0 0 0 0 0 0.

Queenstown Junior played a game against a Junior team from Mito and Lake McEggar last Saturday night on the local diamond. Queenstown won by a 12 to 0 score. The game was apparently an unlucky number for the visitors as they failed to bring a run across the plate, several dying in third. Bud Horne pitched the first six innings and Conrad Sol the last six. The game was a very close one. The type of ball these boys play is credit to them and we hope to see them play more games and develop their abilities. C. Hilgar umpired the game.

MEADOWBROOK 11 - QUEENSTOWN 9

Queenstown played a league game at Meadowbrook, Sunday, June 13th with the above result. Meadowbrook took a good lead with 5 runs in the 2nd, 4th and 5th. Queenstown was unable to overtake. Much dissatisfaction was caused by the umpire's decisions and the league would do well to see that the best men possible are secured for this difficult job. Queenstown's line up was: Conley p.; A. Sol p.; c.f.; J. Conley; c. Grayson; 1b; Hilgar; 2b; Somerville; 3b; Watwood; r.f.; Hill; c.f. and H. Horne l.f. Score by innings: Meadowbrook 5 3 0 0 0 4 1 - 11. Queenstown: 2 0 1 2 0 1 0 4 - 9. Mito baseball league: Queen; c.; A. Wilson; ss.; J. Wilson; 1b; 2b; Corbett; 3b; Wells; 1b; O'Brien; ss.; McArthur; r.f.; Wilson; c.f. and Holland l.f.

A play and concert given by the United Church in the Co-operative Hall last Friday night proved very successful.

Raymond and Harold Page are at present at Spry, Saskatchewan. They are doing some work on their father's farm there.

The ball game between Queenstown and Mito Tuesday evening the 8th was called in the second inning when a small tornado blew in from the north. This game will have to be played later.

O. Barnes has moved his pool tables and barbing equipment to the building next to the hotel and is conducting business there.

Mrs. A. Bright returned from Calgary on Thursday last.

Mr. McIntire is relieving agent at the A. P. elevator during R. Rivad's absence.

Mrs. C. Hilgar returned home last week accompanied by her brother from Spry, Sask.

BIG BASEBALL TOURNAMENT

MITO, FRIDAY, JUNE 25
Mito is holding a baseball tournament next Thursday, June 24th, at the Municipal Park and are offering \$50.00 as a purse. Four teams have entered and the first game starts at 1 p.m. sharp between Arrowood and Mito. The next at 4 o'clock will be Crown and Champion competing and the final at 6 o'clock. Every arrangement is being made for a full day's fun, with refreshments, golfing and bathing and a big dance in the Co-operative Hall in the evening.

St. Andrew's Sunday school pupils will take part in a play for the benefit of the picnic will appear in the next issue of this paper.

Piano Recital was Grand Success

The piano recital given by Miss Audrey Young last Friday night in the Gleichen Community Hall proved a surprise to the large audience who met there, and well may Miss Young feel proud of the success her first effort in this direction proved. Throughout that young lady showed the best judgement especially in carrying out the lengthy program in so short a time and yet pleasing both her scholars and her audience.

The entire program of some thirty-five numbers was accomplished in less than an hour's time with scarce a brief or an awkward situation, which certainly speaks well for both teacher and pupils and the beautiful basket of flowers presented to Miss Young by the class at the close was not only thoughtful of the pupils but well deserved.

It would be far from fair to attempt to pick out any one pupil as the best, even if it were possible, and, therefore The Call will only here take the opportunity of congratulating the pupils and teacher and append the program:

One way to get ahead and keep ahead is to do each job as though you were going to be judged by that alone.

Well, a month's agony may not suit some politicians but it may be more than enough for the "intelligent" voter.

Here and There

Total trade of Canada during April, 1926, amounted to \$127,068,121, as against \$119,014,028 in the same month of last year and \$10,024,055 in April, 1924. Of the total \$7,801,232 was for imports and \$60,166,889 for exports.

Immigration figures for the first three months of the current year show an increase of 103 per cent. over similar period for last year. Total number of immigrants entering country was 21,249 for 1926, as against 10,793 for 1925.

Production of manufactured non-metallic mineral products in Canada in 1925 reached a value of \$118,587,418, an increase of almost 44 million dollars over 1924 and the highest since 1920 for this group of industries. The operating plants in these industries in 1925 represent an invested capital of 159 million dollars.

Remarkable expansion of the cream export industry of the province of Quebec is disclosed by figures of the Dominion Express Company furnished recently. In May 1926 for three carloads, or about 614,400 pounds of cream were going every week, while in June an average of a carload a day, 103,600 pounds, was produced.

Tomatoes weighing over 25,000 pounds travelled across Canada by Dominion Express recently, constituting the largest load of single tomatoes ever shipped out of British Columbia. Headed in a single express car, the shipment was the product of the Victoria Hot-House Association, which represents the majority of the tomato growers on Vancouver Island.

E. W. Beatty, Chairman and President of the Canadian Pacific Railway, left recently for England and the continent, for a trip which is to last several weeks. Mr. Beatty, accompanied by W. E. Macdonald, Vice-President of Traffic, will complete arrangements for the building of the company's two new ocean liners for the Atlantic route while in England.

One minute after midnight of May 31st, 1926, the Lakeville sub-division of the Boston and Maine Railway was taken over by the Canadian Pacific Railway. Close to the international border and running through Vermont, the railway line will tap rich consuming and producing sections of Connecticut, Massachusetts, New Hampshire and Vermont.

Reckoning of 44 miles of double track of the Canadian Pacific Railway line between Breckford and Montreal, West, on the main line to St. John, Que., and Sherbrooke, should be completed by September. The effect of the work will be to strengthen the tracks, eliminate dust and ensure smoothness of travel. C.P.R. tracks between Quebec and Ottawa, and Montreal and Toronto have already been so rehabilitated in Eastern Canada.

The Trans-Canada Limited C.P.R. all-steel flyer from Montreal to Vancouver resumed her yearly summer season trips on May 18 when she pulled out of Windsor Station, Montreal, filled to capacity, the ten compartments, three drawing rooms and all sleeping berths having been booked some days prior to starting. The Trans-Canada Limited is the only all-steel all-summer train operated on the North American continent.

Charles E. McPherson, assistant passenger traffic manager, Western Union Canadian Pacific Railway, recently celebrated the 50th anniversary of his entry into railway circles. He started in the ticket office of the Grand Trunk Railway, at Toronto, in 1876, and completed 40 years of service with the C.P.R. Mr. McPherson has served in Toronto, Niagara Falls, New York, Montreal, Boston, Saint John, N.B., and Winnipeg.

Voters Attention

Directions as to the use of Preferential Ballot

The preferential ballot will come into general use for the first time in the forthcoming provincial elections. Every voter should be thoroughly conversant with the method of marking the ballot before attempting to vote. Read these instructions:

The voter must not use the X mark.

The voter must place the figure 1 opposite the name of the candidate who is his first choice, the figure 2 opposite his second choice, the figure 3 opposite his third choice and so on until he has voted for all the candidates on the ballot if he so wishes.

The voter may plump for one candidate alone, using the figure 1, without spoiling his ballot, but is urged to vote to the full extent of his choices, as it is only by doing so that the voter obtains the full benefit of this form of ballot.

The voter must not place more than one choice opposite any one candidate.

The voter must not make the same choice for more than one candidate.

The voter must not make any mark on the ballot not authorized by these directions.

Read these Instructions Careful

TOWN AND DISTRICT

The Catholic Women's League are holding a home cooking sale and tea Saturday afternoon, June 10th, at 2 o'clock in the Community Hall Club room.

The picnic committee representing the six U. F. A. locals which will take part in the annual picnic held at a meeting at the Lake McGee school, Wednesday evening, June 9th and set date for the picnic, July 1st at the Municipal Park, Lake McGee.

The preliminary trial of Lloyd Nash charged with stabbing a Chinaman at a Churn restaurant was heard before W. R. Bates, J. P., Saturday night when the accused was sent up for trial, but allowed out on bail. There were many present at the trial in the Community Hall club room, which occupied many hours as the Chinese evidence was taken through an interpreter. The injured Chinaman is still under care of Calgary Specialist and it is believed he has entirely lost the sight of both eyes.

W. C. Arnett of Vancouver, B.C., a successful farmer and rancher of this district, has taken over from Grant Smith & Co. and McMillan Ltd., all the holdings of the latter company in Buffalo Hills District south east of Gleichen and known as the Buffalo Hills Ranch. Mr. Arnett recently brought into the district for ranch use a carload of heavy horses, and with their estimation is the finest bunch seen in the district some time. We understand that Mr. Arnett has needed some 1500 acres in wheat, oats, barley and clover for feed feed, feeling that in raising hogs on as large a farm as the ranch is there should be at least prices for good market for same with profit to the raiser. He also has on the ranch a bunch of purchased Standard cattle. Mr. Arnett has installed as manager, Mr. Ernie Mackinlay, late of the Wilson Farm, Manitoba, and we wish some him to our district and wish him every success in the venture.

Mr. Arnett succeeded in the late management and, as we understand, has taken over the interests of the Holding Company, Grant Smith and McMillan Ltd., of Vancouver, B.C. for an indefinite period and we extend to him and those connected with him the best wishes for the success in his undertaking.

The funeral of John C. Defoe which took place at Calgary last Wednesday afternoon was attended by a very large number of relatives and friends and among the many beautiful floral offerings contributed the following were noted: Miss Hazel Duff, Miss Harriett, Aunt June and family; Orrin Night; Victoria Church; G. O. P. No. 1, Calgary; L. O. P. No. 144 Gleichen; Rasmussen, Gas & Oil Co.; Mr. and Mrs. E. C. Elroy; Mr. and Mrs. C. Barstley; Mr. and Mrs. McMillan and Archie; Mr. and Mrs. A. Mrs. Defoe and family wish to thank all who with sympathy and kindly sympathy since their death and bereavement.

MILLO NEWS

(By John Glenbeck)
John L. Ash and wife have gone back for a visit to the old Indiana home and are driving all the way in their McLaughlin.

Our old friend Harry Baker, who now resides permanently in Minnesota, has been up here for sometime putting up a big barn on his farm at Milo. Harry still thinks there is no place like Alberta, but he does prefer Minnesota he will have to stay down there.

Some time ago a district organization, comprising the U. F. A. and U. W. A. locals in Milo, Queensland, Kirkdale, Berrywater, Maywood, Arrowood and other points in the Municipality, was formed. This organization held a meeting in the Farmers Hall here, Friday, June 8th. After the business part of the day was transacted delegates were addressed by John C. Buckley, M.L.A. from Gleichen and Tony McPherson of Vulcan, former speaker of the Provincial House.

Last Saturday the old Queensland U. F. A. local, which at one time was one of the strongest locals in the Province of Alberta, was divided up and made into two, comprising the Milo and Queensland locals, which makes it for more convenience for the farmers to attend the meetings. Both locals will have a good membership list and very many active.

Last Saturday the Queensland local held a meeting at the Queensland Hotel, which was well attended. Arrangements were made to take charge of the different polling places on election day, June 8th. It was also decided to put on a drive and try to get every farmer in the district into the field. Orders for under review were signed up. Neil Eckland is president and Dave Brown secretary of this local, while Vic Bertrand is president and A. Alston secretary of the Milo Local.

Joe Shaw, leader of the Liberal party for Alberta and Liberal candidate for Bow Valley, addressed a well attended meeting in the Farmers Hall, Monday evening, June 7th. The crowd comprised about 60 per cent farmers and 40 per cent Liberal business men from Chumby. H. Forsyth Chumby lawyer, acted as chairman. Shaw delivered a great speech about the faults and shortcomings of the present government and mentioned all the great reforms which would inaugurate if the voters would return them to power.

Now the present government has no doubt made mistakes and it has done things and laid things undone which have irritated myself. But in spite of that it represents the farm area of Alberta and represent the intelligence of the average farmer who combined and elected them and the farmers have in their power to change tomorrow any time they wish, which can certainly not be done by the Liberals were it in power. In answering questions raised by the farmers present Mr. Shaw tried to tell us that no party machine or bosses would have a sting on him and that he would always be true to his own conviction.

In this case Shaw was talking through his hat. He might tell this to a lot of greenhorns who knew nothing about Canadian politics but not to an old war nerve known different. When Mr. Shaw went to Ottawa he was not a member of the Liberal party. Davidson, publisher of the Calgary Herald, went to Edmonton both of them more discontented that there can be no such thing as an independent in politics and that the man with ambition who is not somewhere must ally himself with one of the parties if he wants to get on. But when he did he became a mere cog in the wheel of that party's machine and when the big bosses took the whip they must jump or their political career will be so short. The two former independent Shaw and Davidson are now leading members in the good old Liberal party they formerly denounced and when they appeared as candidates in the last election they were selling about all the great things the Liberal party will do as addition to power is in making.

Vote Out the Party System

What caused the organized farmers to enter the political field, and with the consent of the electorate, to take over the reins of government in Alberta five years ago? Principally, the cynical disregard of the needs of Western Canada's greatest industry by party politicians, and the failure of the party government formerly in power to provide clean and efficient administration.

Every other business and industry in Alberta is organized, and uses all the political pressure it can bring to bear to have its wishes passed into law. During the last session of the Alberta Legislature, deputations representing organizations of manufacturers, labor unions, doctors, lawyers, dentists, livestock dealers, etc., put their views before the members of the house. This is right and proper, but why are the farmers denounced for organizing for the purpose of securing representation in the House? The reason is that the U. F. A. interferes with the working of the party system.

Alberta is primarily an agricultural province. Legislative action is required to secure lower freight rates, encourage efficient marketing, build better roads, and generally secure the welfare and prosperity of the farming community.

The party system would not be alive today but for the nucleus of city politicians who revive it at every election. Hundreds of city orators are speaking in every part of Alberta during this election, endeavoring to divide the farmers into opposing groups. The overture made for a business government, with city representatives co-operating with rural members on non-party lines, have been rejected, except by labor.

Party System Inefficient

The party system has proved inefficient in administration as compared with the co-operative system. Here are some additional comparative figures: Land Titles Office Costs, 1921, \$241,979, 1925, \$1,757; Election Costs, 1921, \$248,000, 1923 Plebiscite, \$133,000; Estimated Election Costs, 1925, \$130,000. Reductions in controllable expenditures, 1921 to 1924 inclusive, Alberta 14 per cent; Saskatchewan 12 per cent; Manitoba 8-12 per cent. Increases in all other provinces. Agricultural Education, 1921, 320 students, \$191,000, 1925 350 students, \$108,000. Many other instances can be given.

The U. F. A. are expending a considerable sum in advertising through the weekly press, the funds for this being contributed by the membership, so that the electors may know the truth. The city newspapers are endeavoring to perpetuate the party system.

A VOTE FOR A U.F.A. CANDIDATE IS A VOTE FOR EFFICIENT AND IMPARTIAL ADMINISTRATION

Issued by the U. F. A. Publicity Committee, Calgary.

TWELVE REASONS FOR ELECTING LIBERALS

1. The Liberal Party stands for a more business like administration of Alberta affairs. The present government is without business ministers, without business experience and has been without business success. It is Class Government which is divorced from business entirely.
2. It stands for greater economy in administration. The present government has increased the debt of the province in five years by \$22,000,000, with nothing permanent to show for it. It has been more extravagant than any previous administration, or any other in Canada.
3. It stands for more progressive administration. The present government has nothing to show for its five years of office. It has passed no constructive legislation. It has delayed all the serious problems.
4. It stands for more active development and encouragement for business. The present government has made no advance since it took office.
5. It stands for better development of agriculture. Capt. Shaw objects to bringing the pools in politics but he is a member in Ottawa shows his enthusiasm for co-operative marketing, his vigor for cheaper transportation rates, his insistence on the removal of all the barriers which have been preventing development.
6. It stands for better educational facilities. The present government has been sacrificing education and burdening the department with useless educational funds.
7. It stands for better health organizations and encouragement for hospitals. There has been no development in the health department since 1921.
8. It stands for honest and efficient administration. A fair distribution of the expenditure on public works.
9. It stands for honest distribution of the province into ridings.
10. It stands for justice to the returned man in the province.
11. The record of the Liberal party has been one of development and progress. It has its credit:
 1. The settlement of the province.
 2. The organization into municipalities.
 3. The destruction of railway, lumber and telephone monopolies which threatened its destruction in early days.
 4. Farmer legislation such as co-operative elevator act, the farm machinery act, direct legislation.
 5. The beginning of labor legislation, which has remained unimproved. This includes the Factory act, the Workmen's Compensation act, and other similar legislation.
 6. The development of the West Peace River area.
 7. The organization of schools. The creation of the Provincial University, the Institute of Technology and Art and the Farm Schools.
 8. Franchise for women and all legislation safeguarding the rights of women.
 9. Franchise for women and all legislative health legislation.
 12. It has at its head a man who has wide experience in legislation, who has at his back outstanding representatives, not of one class alone, but of all classes in the province—farmers, labor men, business men and professional men.

Advt. Inserted by Alberta Liberal Party

The Liberals as well as the Conservative party are financed, owned and controlled by the banking, mortgage, manufacturing and other big interests who live to farm the farmers and get as much as possible of what he produces, on way or another. The past history of the Liberals' and Conservative parties are one of scandal, corruption, extravagance, etc., and the farmer who thinks that he can better his position by deserting his own men and put the opposition back in power is making a mistake.
